Another Delhi-based luxury accessories restoration and repurposing service, [The Leather Laundry](#), has survived a pandemic-era slump to register a double-digit growth. Says founder Mallika Sharma: “Upcycling offers a smart and environment-friendly alternative to constant consumption, and people are embracing it as a wise and responsible choice. This shift is fuelling tremendous growth in the segment, with more individuals acknowledging that restoring and repurposing luxury items is not only eco-conscious but also a sophisticated and meaningful decision.”
